FOR THE MIDDLE DISTRICT OF TENNESSEE
NASHVILLE TENNESSEE

UNITED STATES OF AMERICA,

V.

FUAD FAISAL NUR.

NO. 3:10-00260(21)

Judge Haynes

MOTION BY COUNSEL FOR FUAD FAISAL NUR TO DELAY THE START OF TRIAL
PROCEEDINGS ON APRIL 12, 2012 UNTIL 1:00 PM

Comes now Counsel for the Defendant Fuad Faisal Nur and would move the
Court to delay the start of Court proceedings on Thursday, April 12, 2012 until 1:00 p.m.

As grounds for this request Counsel would show the following:

1. Counsel is aware of the various delays that have caused this multiple week trial to begin later than expected and start slower than expected.
2. Counsel has been advised that counsel's wife is required to have a surgical procedure in the early morning hours of Thursday, April 12, 2012, at a local hospital that is a few miles from the District Courthouse. It will require the use of general anesthetic and should take approximately 2 hours. Counsel can make arrangements to have a family member drive his wife home and would expect her to be out of the recovery room by 11:30 a.m.
3. Although not emergency surgery, counsel can say with all candor that should he be in trial while she is in surgery counsel will be waiting for an email and/or text message to get information about the outcome of the surgery and her well being. Concentration being key during trial, counsel
